6 MAX ROSENBERG,

7 Plaintiff,

8 v.

9 GREEN PLANET LEGACY 68, LLC, et al.,

10 Defendant(s).

Case No. 2:21-cv-01124-JCM-NJK

Order

[Docket No. 14]

11 Pending before the Court is Plaintiff's motion for leave to file under seal. Docket No. 14.
12 The motion seeks leave to file portions of Plaintiff's renewed motion for default judgment and an
13 attached exhibit under seal. *Id.* Plaintiff's reason for requesting leave to file under seal is that
14 portions of the motion for default judgment and the exhibit relate to certain documents, one of
15 which is a confidentiality provision. *Id.* at 1-2.

16 Local Rule IA 10-5 requires that a party who files a motion to seal documents must file,
17 concurrently with its motion, the documents it asks the Court to allow it to file under seal, as well
18 as "either (i) a certificate of service certifying that the sealed document was served on the opposing
19 attorneys ... or (ii) an affidavit showing good cause why the document has not been served on the
20 opposing attorneys...." Plaintiff fails to satisfy these requirements.

21 Accordingly, the Court **DENIES** without prejudice Plaintiff's motion for leave to file under
22 seal. Docket No. 14. Additionally, the Court **ORDERS** Plaintiff to file a renewed motion for
23 leave to file under seal that complies with all applicable rules and caselaw no later than September
24 13, 2022.
